FOR ALL YOUR RUSTPROOFING AND DETAILING NEEDS

WELCOME

With the cooler weather upon us , most people are looking forward to spring/summer . With warmer weather comes those wonderful trips to the beach. So now is the time to think about preparing your vehicle for those trips. We at Downey Street Rustproofing are committed to helping you get the most out of your vehicle. To this end we would like to invite you to think about your rustproofing needs.

We offer several types of rustproofing but we would like to highlight the Spray on (chemical type) in this newsletter.

Our rustproofing is designed to help stop the corrosive action of both sand and salt on your vehicle,. Combined with good vehicle care such as After beach washes, rustproofing can help extend the life of your vehicle. To help you with this we are

running a special on our Chemical Rustproofing for July/August.
